V.1

So your Looking for a way to quench your thirst  
To ease your mind to cool the burn  
It's hard to face the road your going down  
And your tempted to turn around  
Don't give up just keep on putting one foot in front of  
the other and Just keep Walking

Cho.

Through The Valley , Up the mountain,  
Toward the river, Sweet redemption,  
It's a measure of strength, a shadow of grace, a matter  
of faith  
That'll keep you going.  
Just gotta keep on Gotta Keep on movin'  
Through the Valley

v.2

Love is waiting on the other side  
It calls your name, don't break your stride.  
Freedom is gonna taste twice as sweet  
When you get to where you need to be  
Don't lose hope just hold on with all of your heart  
And Just keep praying

Cho.

Bridge:

It's a measure of strength, a shadow of grace, a matter  
of faith  
That'll keep you going just gotta keep on, gotta keep  
on, gotta keep on  
movin' Through the Valley
