All I ask (Please, baby) Is don't hold back your love
(your love, yeah)
All I ask (All I ask) Is don't hold back your love

If your love is mine, How could you hold back
When you know I've given everything
And so many times I've felt you hold back
When you could've sent me, ease my pain

All I ask (Please, babe) Is don't hold back your love (oh,
don't hold back, let it go, babe)
All I ask (Hey, baby) Is don't hold back your love (don't
hold back your love, well, well, well)

Hey girl don't you sit around with your head hanging
down
You know I'll give you everything
I'll always be here for you baby
You know my love will never change

All I ask (I'll do anything you want me to do yeah) is
don't hold back your love (don't hold back, don't hold
back no)
All I ask (All I ask) Is don't hold back your love (why
don't you let it go, let it go, let it go)

Don't try to hide (Don't try to hide what your feeling girl)
Don't try to hide (Don't try to hide, oh, if you really care)
I'll be the one (I'll be the one if you let me, if you let me
baby)

All I ask (yeah, yeah) Is don't hold back your love (don't
hold, please baby, please maybe, begging you)
All I ask (don't hold it) is don't hold back your love
(don't hold, don't back girl)
All I ask (trust me, baby) is don't hold back your love
(give me your love)

Don't try to hide (Don't try to hide what your feeling girl)
Don't try to hide (And don't try to hide, darling, if you
care)

I'll be the one (I'll be the one to give you my lovin', and
I'll love no one else, yeah baby)

All I ask is don't hold back your love (don't hold back,
baby)

All I ask(trust in me) is don't hold back your love
(please, baby)

All I ask (baby, all I ask) is don't hold (don't hold back)
back your love (your sweet, sweet love babe)
