"Choosey Lover"

Choosey lover

Girl, I'm so proud of you

I'm so glad you chose me, baby, baby

And I'll make you so happy

Thought I had a lover, thought I had a lover

But I was kiddin' myself, baby

By the time I learned about it

By the time I learned the truth about it

She was sleepin' with someone else

Oh, but not you, baby

Choosey lover

Girl, I'm so proud of you

I'm so glad you chose me, baby, baby

And I'll make you so happy

'Cause you've given me, given me security

Given me security, baby and you're provin' what you
said

I never worry about you, never worry about you, baby

Jumpin' in and out of bed, no, not my baby

Choosey lover, you're so choosey

Girl, I'm so proud of you

I'm so glad you chose me, baby, baby

And I'll make you so happy

Choosey lover, you're so choosey

Girl, I'm so proud of you

I'm so glad you chose me, baby

And you make me so happy

Choosey lover, oh, you're so choosey

Girl, I'm so proud of you

I'm so glad you chose me, baby

I'll make you so happy

Choosey lover, oh, choosey

Girl, I'm so proud of you

I'm so glad you chose me, baby
And I'll make you so happy
