Spending all my time making love to you
I'll love you through the night and through the day
I know that deep inside you crave that ecstasy

Insatiable woman
My body's yours
There is no one in this world
Can do the things you do for me and bring me to that
ecstasy
Oooh ...you really turn me on
When I go off to work each day
You kiss me at the door and say 'Don't stay too long
honey, don't stay too long'

Insatiable woman
I'm in love with you
I've never felt like this before
I'm gonna keep giving baby my love to you
Insatiable woman
My body's yours

Girl you know that I'm so into you
You keep me satisfied in every way
You know that there's no one coming close to you

Insatiable woman
My body's yours
There is no one in this world
Can do the things you do for me and bring me to that
ecstasy
Oooh! you really turn me on
When I go off to work each day
You kiss me at the door and say 'Don't stay too long
honey, don't stay too long'
Insatiable woman
I'm in love with you
I've never felt like this before
I'm gonna keep giving my love to you
Insatiable woman
My body's yours
Gonna make it all right

And do it all night
Insatiable woman
My body's yours
We're gonna make it all right
And do it all night, all night
Insatiable woman
My body's yours
Insatiable woman
Insatiable woman
Girl I love what you do to me
You're sweet as a lover can be
Insatiable woman
My body's yours
Girl I love what you do to me
You're sweet as a lover can be
Insatiable woman
My body's yours
Insatiable woman
Insatiable woman
