Baby, just stay with me a little longer
Baby, I'll guarantee the feeling stronger
You don't know what you do to me
I wanna be inside you, baby

Baby, just stay with me a little longer
Baby, I'll guarantee we'll get it on
Read my mind and I know you'll find
I wanna be inside you, baby

There ain't nothing but love inside you, girl
And I wish that you knew what goes on inside of me,
baby
Stay with me a little longer, baby, I'll guarantee we'll
get it on
All I know is what you do to me, I wanna be inside you,
baby

There ain't nothing but love inside you, girl
And I wish that you knew what goes on inside of me
Baby, just stay with me a little longer
Baby, I'll guarantee the feeling stronger
You don't know what you do to me
I wanna be inside you, baby

Baby, just stay with me a little longer
Baby, I'll guarantee we'll get it on
There ain't nothing but love inside you, girl
And I wish that you knew what goes on inside of me,
baby

Baby, just stay with me a little longer
Baby, I'll guarantee the feeling stronger
You don't know what you do to me
I wanna be inside you, baby
