Yeah, yeah yeah

How can I refuse your body laying next to me
I wanna know if you see the same thing that I see
Listen baby, laying right here in your bed is where I
wanna be
Making love to your body with your body on top of me

Oh, how I wanna love you babe, just like this, just like
this
Oh, how I wanna touch you babe, just like this, just like
this
Oh, how I wanna feel you babe, just like this, just like
this
Oh, how I wanna love you babe, just like this, just like
this

I wanna try something new, baby
That we never tried before
I wanna do something to you, babe
Wait a minute, come back here on the floor

Oh, tell me how do you like Mr. Bigg's cashmere rug,
baby
Does it feel good to your body, baby?
Makes you feel right

Oh, how I wanna love you babe, just like this, just like
this
Oh, how I wanna touch you babe, just like this, just like
this
Oh, how I wanna feel you babe, just like this, just like
this
Oh, how I wanna love you babe, just like this, just like
this

Oh, keep on pushing babe, don't stop now
Slow it down
Make it go round and round and round and round and
round

It's time to go down

Don't stop what you doing babe 'cuz
I'm going down

Oh, how I wanna love you babe, just like this, just like
this
Oh, how I wanna touch you babe, just like this, just like
this
Oh, how I wanna feel you babe, just like this, just like
this
Oh, how I wanna love you babe, just like this, just like
this

Oh, how I wanna love you babe, just like this, just like
this
Oh, how I wanna touch you babe, just like this, just like
this
Oh, how I wanna feel you babe, just like this, just like
this
Oh, how I wanna love you babe, just like this, just like
this

Just like this, just like this
