"Keep It Flowin'"

It's 2 o'clock, and we're still goin'
I can't get enough of your lovin' now
The way you're doing what you're doing
Keeps me, coming back for more so

Keep it flowin' baby, girl don't stop for nothing
Keep it flowin' baby, keep givin' your lovin'
Keep it flowin' baby, kissin' and huggin'
Keep it flowin' baby, and don't stop it now

Now is the time to do what I do
I'm gonna try my best to put joy in you, baby
Wanna be your lover, day and night
The way you're pleasing me feels so right

Keep it flowin' baby, and don't stop for nothing
Keep it flowin' baby, keep givin' your love
Keep it flowin' baby, kissin' and huggin'
Keep it flowin' baby, girl don't stop it now

Just open up and let me in
I wanna give you this love I have within
Said that I wanna be your lover girl
Oh baby, you know what I want

Keep it flowin' baby, and don't stop for nothing
Keep it flowin' baby, a keep givin' your lovin'
Keep it flowin' baby, kissin' and huggin'
Keep it flowin' baby, just like a boat

Just like a boat girl, keep it flowin'
Don't you stop girl, keep it goin'
Up and down girl, keep it strokin'
Feelin' so good, kissin' and huggin'

Love in the wind, feel ya lovin' girl
Ya so, I wanna stay here
In the passion rollin' with you
Honey make like you a river

Let it flow, let it flow, let it, just let it flow
Let it flow, let it flow, let it, just let it flow
Let it flow, let it flow, let it, just let it flow
