La da da da da da da da da da da
Hey yeah, yeah

Your body is warm but you're still unsure
I'll have you know that I have the perfect cure, yeah
Step in my room and I'll take your fears away
Put your trust in me and all that I say
Tell me, can we lay?

Let's lay together
Ooh hoo baby
Let's lay together
Tell me, can we lay?
Let's lay together
Lay oh baby
Let's lay together
Ooh hoo oh hoo

Heaven's to blame for this love affair
Feels good to know love will always be there baby
You took my heart and made such a sexual burning
flame
Let's love tonight, straight into the day
Can we lay?

Let's lay together
Yes baby
