Nothin' but smooth sailin' tonight  
Anything that you want from me is my delight tonight  
There'll be nothin' but, nothin' but smooth sailin' tonight  
Anything that you want from me is my delight tonight

Every single heartache will be kissed and loved away  
And at my desires height the body will obey  
Lay your hands on me, girl, touch my burnin' sand  
Let your waters calm me, your wish is my command

You can count on me, yeah  
(Count on me)  
I'll set you free and easy  
Any fantasy, yeah  
Will be acted out completely

Nothin' but smooth sailin' tonight  
(Oh, baby)  
Anything that you want from me is my delight tonight  
(You know, you know)  
There'll be nothin' but, nothin' but smooth sailin' tonight  
(Oh)  
Anything that you want from me is my delight tonight  
(I know, I know)

Lay down here beside me and we'll cruise the caravan  
Let your fingers guide me to the pleasures you  
demand  
Let my lips caress the deepest portals of your soul  
Feel the fire I possess, I got to let you know, girl

You can count on me, girl  
(Count on me)  
I'll set you free and easy  
(Every)  
Any fantasy  
Will be acted out completely

Nothin' but smooth sailin' tonight  
(Oh)  
Anything that you want from me is my delight tonight  
(Oh, yeah)

There'll be nothin' but, nothin' but smooth sailin' tonight  
(Nothin')  
(Oh, baby)  
Anything that you want from me is my delight tonight  
(Oh)

Every single heartache will be kissed and loved away  
And at my desires height the body will obey  
Lay your hands on me, girl, touch my burnin' sand  
Let your waters calm me, your wish is my command

(Count on me)  
Oh, I'll set you free and easy  
Any fantasy  
(Any fantasy)  
Will be acted out completely

Nothin' but smooth sailin' tonight  
(You know, you know)  
Anything that you want from me is my delight tonight  
There'll be nothin' but, nothin' but smooth sailin' tonight  
(Oh, yeah)  
Anything that you want from me is my delight tonight  
(Are you ready, girl)

Let's go sailin', sailin', girl  
Don't you wanna go, wanna go, wanna go sailin'?  
(Count on me)  
I'll set you free and easy  
(Every fantasy)  
Will be acted out completely, oh

Nothin' but smooth sailin' tonight  
Anything that you want from me is my delight tonight  
(Oh baby, baby)  
There'll be nothin' but, nothin' but smooth sailin' tonight  
(Nothin' but smooth, smooth)

Anything that you want from me is my delight tonight  
(Nothin' but smooth)  
There'll be nothin' but, nothin' but smooth sailin' tonight  
(Smooth)  
Anything that you want from me is my delight tonight  
(Smooth)
