"Superstar"

Who's that girl that considers her self a super woman
and
Who's that girl thats independent and hard working
and
Who's that girl that can cook and got some good lovin'
and
whos that girl that can take it down on her man and
turn it into something

[Chorus]

You's a superstar
thats what you are
money, clothes and fancy cars
So high your on the top
You's a superstar
that's what you are
money, clothes and fancy cars
so high your on the top

Tell me who's that man with them 20 inches under that
wide body benz and who's that man
sitting in VIP just a thuggin'
and who's that man all the ladies are kissin and huggin
tell me whos that man that the whole ghetto is lovin'

[Chorus]

You's a superstar
thats what you are
money, clothes and fancy cars
So high your on the top
You's a superstar
that's what you are
money, clothes and fancy cars
so high your on the top

Tell me y'all who's that girl that looks so good and
dress so sexy
and Who's that girl thats got me wanting her next to me
and who's that girl that with one look can knock me of
my feet

and who's that girl that can take me straight into ecstasy

[Chorus]

You's a superstar
thats what you are
money, clothes and fancy cars
So high your on the top
You's a superstar
that's what you are
money, clothes and fancy cars
so high your on the top

Tell me y'all Who's that man that considers himself to
be full grown
and whos that man that claims the world to be his own
and who's that man with a gentle heart and a pleasant
tone
but when you mess with his money
he's quick to go upside your door

[Chorus]

You's a superstar
thats what you are
money, clothes and fancy cars
So high your on the top
You's a superstar
that's what you are
money, clothes and fancy cars
so high your on the top

You got to let your light shine
let your light shine
let your light shine
let your light shine
let your light shine
let your light shine (your a star you gotta let it show)
let your light shine (the world is yours you gotta take
control)
let your light shine (sang it loud so everyone knows)
let your light shine (Just take the key and unlock the
door)

[Chorus (till fade)]

You's a superstar
thats what you are
money, clothes and fancy cars
So high your on the top
You's a superstar
that's what you are
money, clothes and fancy cars
so high your on the top
