He that keepeth Jah shall never slumber nor sleep
Behold Jah art I keeper
I don't want to call out Jah name in vain
I don't want to call out Jah name in vain
I want to call him for His mercies endureth forever
Call Him 'cause there could never be no other
Call Him now that your pocket's full of money
Call Him before things start get funny

Soon there'll be a weeping a wailing a moaning
A gnashing of teeth
If we don't at every time,
Practice what we preach
We promise to hail Him
Hail Him Jah Rastafari

One and all you got to do is just hail Him
Hail Him King Alpha
Hail Him Jah Rastafari

Some call out on Jah name,
In only sorrow trial and pain
Every day things gonna be the same
Come let us Hail Him King Alpha
Hail Him Jah Rastafari
That's all you got to do is just hail Him
King Alpha hail Him Jah Rastafari
For His mercies endureth forever
Yes His mercies endureth forever
Come let us hail Him
Hail Him Jah Rastafari
Hail Him for food clothes and shelter
Hail Him Jah Rastafari
So many people doubt Him
But I and I can't do without Him
Come let us hail Him
Hail Him Jah Rastafari
He send the rain on the place that needed it
He send the rain on the place that needed it
Come let us hail Him
Hail Him Jah Rastafari
He prepare for the birds and the bees

He prepare for the fishes in the sea
Then why oh why do you think He would not
Prepare for I and I and I
