I can't sleep at night
Tossing and turning
I turn on the light
Then while it's burning
I think of all the things that we do
I know the reasons why I love you

Tossing and turning
I'm tossing and turning all night

In my memory
There is confusion
Was that you and me
Or an illusion
Was I really holding you tight
Did I really kiss you goodnight

Tossing and turning
I'm tossing and turning all night

Whatcha gonna do at night
Nobody to hold you tight
Are you lonely
Don't you know that I get lonely too
And I'm begging you

When we meet again
Maybe tomorrow
You will smile and then
Goodbye to sorrow
We'll be lovers just as before
I guess I'll never sleep anymore

Tossing and turning
I'm tossing and turning all night
