It's summertime summertime sum sum summertime
Summertime summertime sum sum summertime
Summertime summertime sum sum summertime
Summertime summertime sum sum summertime
summertime...

Well shut them books and throw em away
Say goodbye to dull school days
So come on and change your ways
It's summertime...

Well no more studying history
And no more reading geography
And no more dull geometry
Because it's summertime

It's time to head straight for them hills
It's time to live and have some thrills
Come along and have a ball
A regular free-for-all

Well are you comin or are you ain't
You slow-pokes are my one complaint
Hurry up before I faint
It's summertime

Well I'm so happy that I could flip
Oh how I'd love to take a trip
I'm sorry teacher but zip your lip
Because it's summertime

It's time to head straight for them hills
It's time to live and have some thrills
Come along and have a ball
A regular free for all

Well we'll go swimmin every day
No time to work just time to play
If your folks complain just say,
It's summertime

And every night we'll have a dance

Cause what's a vacation without romance
Oh man this jive has me in a trance
Because it's summertime

It's time to head straight for them hills
It's time to live and have some thrills
Come along and have a ball A regular free for all
It's summertime

It's summertime summertime sum sum summertime
Summertime summertime sum sum summertime
Summertime summertime sum sum summertime
Summertime summertime sum sum summertime
Summertime

It's summertime
