I GOT A LINE ON YOU

Let me take you baby, down to the river bed  
Got to tell you somethin', go right to your head  
Cause I got a line on you, babe  
I got a line on you

Gotta put your arms around me  
With every bit of your love  
If you know what to do, I'll make love to you  
Cause you got the right line to make it through these  
times  
I got a line on you babe  
I got a line on you babe  
I got a line on you babe

I got a line on you  
I got a line on you babe  
You know my winter's almost over  
My summer, she's comin' on strong

I can love you, love you, love you  
Love you all year long  
I got a line on you babe  
I got a line on you  
I got a line on you babe  
I got a line on you  
I got a line on you babe
