First you laugh  
Then you cry  
When you think of all them hours gone by  
The ones you loved  
And the loves you lost  
And late at night alone you count up the cost

I'm chasing something I thought was real  
But it ain't even close to how she made me feel  
I don't care anymore if my dreams come true  
I may be bound for glory  
But I'm making Georgia blue

A motel room  
And a neon sign  
The sound of her voice on the telephone line  
You've come so far  
But you can't run  
From the sound of your heart as it comes undone

I'm chasing something I thought was real  
but it ain't even close to how she made me feel  
I don't care anymore if my dreams come true  
I may be bound for glory  
But I'm making Georgia blue

This damned old freeway  
It ain't going nowhere  
It's tearing my heart between here and there

You've come so far  
But you can't run  
From the sound of your heart as it comes undone

Oh, and I'm chasing something I thought was real  
But it ain't even close to how she made me feel  
I don't care anymore if my dreams come true  
I may be bound for glory  
Yes, it's the same old story  
I may be bound for glory  
But I'm making Georgia blue
