Well, I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair,
And I'm wondering how I'll get down those stairs

Clowns to left of me, jokers to the right,
Here I am, stuck in the middle with you

Yes, I'm stuck in the middle with you,
And I'm wondering what it is I should do
It's so hard to keep this smile from my face,
Losing control, and I'm all over the place

Clowns to left of me, jokers to the right,
Here I am, stuck in the middle with you

Well, you started off with nothing,
And you're proud that you're a self-made man
And your friends they all come crawling,
Slap you on the back and say,
Please, please

Trying to make some sense of it all,
But I can see it makes no sense at all
Is it cool to go to sleep on the floor?
'Cause I don't think that I can take anymore

Clowns to left of me, jokers to the right,
Here I am, stuck in the middle with you

And you started off with nothing,
And you're proud that you're a self-made man
And your friends they all come crawling,
Slap you on the back and say,
Please, please.

Yeah, I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair,
And I'm wondering how I'll get down those stairs

Clowns to left of me, jokers to the right,

Here I am, stuck in the middle with you
Yes, I'm stuck in the middle with you
Stuck in the middle with you
Here I am, stuck in the middle with you
