Down, down, down, down, be-doo, be-doo
Down, down, down, down, be-doo, be-doo

He lives in my neighborhood
When he walks by, he looks so good
Wanna get to know him (oh yeah)
Wish that I could show him (I care)

I wanna love him so bad
You know it's drivin' me mad
Cause when I look in his eyes
I can see in paradise
So I can't help it
I wanna love him so bad
(Love him so bad)

I know his name, his name is Jim
I can't be blamed for loving him
I could make him happy (oh yeah)
If he'd only let me (oh yeah)

I wanna love him so bad
You know it's drivin' me mad
Cause when I look in his eyes
I can see in paradise
So I can't help it
I wanna love him so bad (love him so bad)

---- Instrumental Interlude ----

I could make him happy (oh yeah)
If he'd only let me (oh yeah)

I wanna love him so bad
You know it's drivin' me mad
Cause when I look in his eyes
I can see in paradise
So I can't help it
I wanna love him so bad (love him so bad)

I wanna love him so bad
You know it's drivin' me mad

ÅCause when I look in his eyes
I can see in paradise
So I canÅt help it
I wanna love him so bad (love him so bad)

Down, down, down, down, be-doo, be-doo
Down, down, down, down, be-doo, be-doo
