ft. Elisa Fiorillo

1. How come you cant explain it,
The way youre acting recently?
It seems that everything is changing,
Cause I can tell the way youre treating me.
I believe that you still love me,
But you find it hard to show.
Dont throw away the chance,
Cause it might be your last,
And I wont let you forget
2. Who, who found who?

Who ,
Who found who?
3. Look at all the time youve wasted
And how your life is just a mess.
I took you home to meet my family;
It wasnt meant to be a test.
I wanted you to see devotion,
And feel that you were being loved.
Dont throw away this chance,
Cause it might be your last,
And I wont let you forget
4. Who
Who found who?

Who
Who found who?
5. Who
Who found who?

Who
Who found who?
6. Hold me, show me, oh baby,
Dont fight it.
Its easy; you know
Theres nothing I would rather do
Than to give my love to only you.
7. Oh, Im holding out my arms to you
Baby, dont let me down
So show me that you love me,

Cause it doesnt matter now.

8. Who who
Who found who?

Who who
Who found who?
9. Who who
Who found who?

Who who
Who found who,
Huh-uh-uh.
10. Who,
Who found who?
Who,
Who found who?
Who who
Who found who?

Who who who,
Who found who?
11. Who, who, who,
Who found who?

Who, who, who,
Who found who, whoa?
So hold me in your arms
And tell me you are mine
Dont throw away the chance
Cause it might be your last.
