I'm crazy
Crazy 'bout the way you love me
Baby
I shiver every time we touch
But sometimes I worry
When you're not around
I'm thinking is this love
Or something else we've found

But I keep on falling
Keep on falling in love
Falling back again
I keep on falling
Keep on falling in love

Well you're crazy
So wild and free
It's not easy
Living with a man like me no
All the miles between us
And all the time alone
Seem to fade away
When I get back home girl

And I keep on falling
Keep on falling in love
Falling back again
I keep on falling
Keep on falling in love

I'm falling
Yeah yeah

When you hold me
Keep me up all night
You make it easy
To forget about the trouble that we see
Should anybody
Love somebody this much
That this madness
Is magic to me

It's crazy
It feels like it will never end
And it's stronger
Stronger than it's ever been
As the years go by
It will lift us higher
And there's no (no) way (way)
To ever ever put out the fire

And I keep on falling
Keep on falling in love
Falling back again
I keep on falling
Keep on falling in love (again)
And I keep on falling
Keep on falling (keep on)
Keep on falling
Keep on falling
And I keep on falling
Keep on falling in love
