that kid/ joe klein
born in 1989
studied in northside
the college of the king's design

landed a gold mine
he's buried 'neath a crossroad sign
i really don't mind
it's happened since the dawn of time

brittney lane don't care
brittney lane don't care
and it's all on a dare
and the reins are hers

the cure ain't taking
i'll tell you what you oughta do
why give it all up
if no-one's giving up for you?

brittney lane don't care
brittney lane don't care
and it's all on a dare
and the reins are hers

allison don't care
allison don't care
and the wind's in her hair
like at valley fair

anyway you gotta' be free
you're holding onto bottles

loves a girl he just met
but i don't think he will for long

that kid/ right there
he's the one who should be scared
that kid/ right there
he's the one who's got the stare

brittney lane don't care

brittney lane don't care
and it's all on a dare
and the reins are hers

allison don't care
sebastian don't care
stephanie don't care
blah blah blah don't care
