i'm dead  
i'm a dead man

there's people rhyming  
there's people rolling  
there's people dying to tell me  
i'm a dead man

i'm sent from a suburb  
where we sip on our cider  
we eat sheets of paper  
and get the twitch  
of the death nerve

there's people rhyming  
there's people rolling  
there's people dying to tell me  
i'm a dead man

let someone punch you  
and then you'll be famous  
let someone punch you  
and they'll make you famous

let someone punch you  
and then you'll see checkers  
we always listen to  
the same old records

i'm dead  
i'm a dead man

there's people rhyming  
there's people rolling  
there's people laughing  
there's people bawling  
there's people timing  
there's people stalling

when my things don't come together  
i'm a dead man
