nothing's going on  
if you're looking for love  
i ain't got none  
if you're looking for fun  
i ain't got none  
and if you're looking for drugs  
i ain't got none

and nothing's going on  
nothing's going on

but there's a tunnel rear-end  
accident beside me  
and her eyes whipped 'round  
and i looked in'em deeply  
and for a second  
i thought that she might have  
been me

but nothing's going on

and if ya think i'm laughing at ya  
think i'm trappin  
then ya got none  
and if ya think i'm grappling  
and you've got nobody left  
to thank ya

and if ya think i'm laughing at ya  
think i'm trapping  
then ya got none

and nothing's going on
