There's gonna be a showdown
There's gonna be a showdown
There's gonna be a showdown
There's gonna be a showdown

I got 10 notches on my shoes
When it comes to dancin
You know that I, I cannot lose

They call me Mister Topcat
Around this here town
I just wanna see you movin your pretty little feets honey
When the sun goes down

There's gonna be a showdown
There's gonna be a showdown

All the girls have been losin
All their faith in me
Well that's not my toughest break you know
After what you done to me
Cause I'm real good now
So you had better be better
And when we hit that dance floor tonight
Better have youself together
Cause that's when

There's gonna be a showdown
There's gonna be a showdown

I got a reputation of being
One of the fastest men alive
So I wanna see you movin your sweet feet honey
When I count to five

Gimme One, Billy
OK now gimme Two
Come on boys and girls you can do better than that
If you wanna abide, you wanna survive,
You better jive or get aside

There's gonna be a showdown

There's gonna be a showdown
There's gonna be a showdown
There's gonna be a showdown
