Can't take it away,
Can't take it away,
I don't know why I can't control
But it seems that she's gettin' sentimental to me
Every morning that I wake up in your room
And you'll be hangin' off every word
That I said,
And you'll be thinkin' I'm so wonderful
But you'll find out,
You'll find out,
Ya'll gonna see myself,
Ya'll gonna seriously,
Ya'll gonna see myself
And the one you can't stop
And smother when I wanna go
Even better that I wanna stick around
To say it to you,
The look in your eyes
You're not surprised
That I'm gonna leave you once again,
It's not your fault-
And I got nothing for you-
Baby it's true-
Rain can't stop no the rain can't stop
You're so predictable-
Hate it when your down,
Hate it when your down,
And I got nothin' that might cheer you up
All that I can offer you
Is I wont come to your home
