If you gotsta know what happened 22ND
August 07 said I know
And times weren't touched but we couldn't Get enough
And now you've got to keep it on the down low

Rolled up in the place
Rocking nuff mase
Stills up in the face
Safes open like bar be at our party said I know.

Robbed a bank today, Oh yea
Said put your backs against the wall
And gimme something to roll in
They thought it was a prank
'Til we said
Go put your backs against the wall
And now I'm running, I'm running away

We just go through Bonnie
And Clyde got amped up and it's dog day afternoon in
our
Home
We flat our nose with our
Girl's panty hose and I got
Bros in the front two bros in
The back said I know

Check it now know I ain't yellow
Stop once getting digits of a cute teller
With our actions on a napkin
We rock and roll

Robbed a bank today, Oh yea
Said put your backs against the wall
And gimme something to roll in
They thought it was a prank
'Til we said
Go put your backs against the wall
Now I'm running, and running, and running, and
running away

I'll get a new place

Formally owned by Chevy Chase
I'm slowing down my pace
Have you forgot we're being chased
Wallet for my wallet and a grill for
My grill and I said I'll be fine ya

Sticking up the man
We do what we can
Fleeing to Japan
I'm not moving to Japan
Rocking no copping and I'm chalking one up and...

Robbed a bank today, Oh yea
Said put your backs against the wall
And gimme something to roll in
They thought it was a prank
'Til we said
Go put your backs against the wall
And now I'm running, I'm running away!

Same as I never knew
Gone down the avenue
I fooled all of you
All for the revenue
Not gonna share with you! [2x]
