I fucked two girls last night in the back of my car  
I got an Avalon you fuckin' retard  
And he was wasted to his face and forgot their names  
and  
If you see her in a porn then it might be Sara Palin  
And I'm back on the track with a girl with a rack and it's  
about time  
We face the facts  
Hope you like the necklace honey you know know I  
bought it with your money

And I can't be trusted  
No I can't be trusted  
When the sun don't shine it's all alright  
And I can't be trusted

Blah blah blah you're blabbin' on and I just can't think  
So a call your friend ring-a-ding ding  
Ask me where I was and I'll give you some bull  
Feed you lines until you're full  
Cause we back on the track  
We doin' what we doin' and we never look back

And all this time I been livin' a lie you don't know the  
real me  
You can't tell if I'm who I say why don't you buy another  
CD  
I really like it that way  
Cause it's a lot of fun when you can't be trusted  
And I'm gonna keep it that way cause we're having fun

I've been known to do do the do  
The opposite of what your belt will do  
Got Maury Pauvich calling my home  
Cause he knows his daughter's not in love

And I can't be trusted  
And I can't be trusted  
And I can't be trusted  
And I can't be trusted  
I can't be trusted (trusted)  
I can't be trusted (trusted)
