I could play hack everyday
I could play hack every night
I could play hack all the time it just feels so right
I could play in the dark but prefer in the light
I could play
Everyday!

I could play hack everyday
I could play hack every night
I could play hack all the time it just feels so right
I like it when the beads are just right
Not too loose but not too tight
And I could play
Everyday!

I could play in the pants of Emanuel Kant
In the waste from a nuclear power plant
On a bridge or in my fridge
In the middle of a fight with a group of ninjas
Fallin' from a plane, while being slain
Call me crazy but I'd play in the rain
In a brick of clay with Stockwell Day
I could play EVERYDAY!
