Hold on just a god damn minute  
This commercial is yet to be over  
I can't wait to try this knife out  
I seriously can't wait

Yellow paint won't cover bloodstains  
And yellow paint won't cover these rumors  
Won't cover these rumors

This blade  
Your neck  
All of my values

All of my values  
In a little basket  
I've started over

Yellow paint won't cover bloodstains  
And yellow paint won't cover these rumors  
Won't cover these rumors

Sit closer, honey  
I've tried my best, I promise  
And I can't wait to get these clothes off  
I'm so tired, I'm fucking tired

Yellow paint won't cover bloodstains  
And yellow paint won't cover these rumors  
Won't cover these rumors

Won't cover these rumors  
Won't cover these rumors  
Won't cover these rumors

I've started over  
I've started over  
I've started over

Sweet skin, can't get it close enough to me  
I want to be covered  
Running my fingers straight through her hair

Just like mothers, this is my new life

Yellow paint won't cover bloodstains  
And yellow paint won't cover these rumors  
Won't cover these rumors
