The speakeasy parlor was filled with many a fair lady!  
Fallen victim to another mind rape by their Christian  
fathers.

It was never easy to show them I loved them  
He said as He was removed from the booth!  
No one had the time to listen to Him  
They don't care!

It wasn't His thing to talk like that  
Waking up the next day  
In a nightmare of a grey  
Colored room full of friends  
With no names and metal as cold as  
As cold as hell.

This was yet another favorite of His  
Concious effort was put into  
Everything that He didn't do  
And everything else was a failed plan.  
Why didn't this work!  
Why didn't this work!  
If only gratitude could get you somewhere.  
If only gratitude could get you somewhere!

Censor His bleeding hands, broken teeth and blood-  
red hair.  
This is His love to them all.  
Yet another day blessed with His presence!  
Continue to beat Him this is His love!

Censor His bleeding hands broken teeth and blood-red  
hair.  
This is His love.  
Not another day blessed with His presence!  
Continue to beat Him this is His love!

Coughing up His mother's love all over a plate of  
refurbished organisms  
This is His love!  
Coughing up His mother's love all over a plate of  
refurbished organisms  
This is His love!

Oh Mother Mary forgive them, for they have won.  
They have won!  
Oh Mother Mary forgive them, for they have won.  
They have won!

Spoken fast enough to spark a memory into everyone's  
tired mind!  
Built upon a cross of clothes... and thorns of wrinkled  
scarves...  
And hung from a ceiling and sent to every child's living  
room...  
Built upon a cross of clothes and thorns of wrinkled  
scarves...  
And hung from A ceiling and sent to every child's living  
room!

Depictions of life as told by a subdued body within us  
all.  
We aren't loved anymore.  
Behold the white whore.
