[Verse 1:]

When you are holding me
I close my eyes
I close my eyes
And I'm clinging to a cloud in the sky

[Verse 2:]

And when you make love to me
I close my eyes
I close my eyes
And I feel I'm gonna fly so high

[Bridge:]

These are the moments I can see
Far beyond my wildest dreams
Maybe it's me,
But why must it be
Now it's over in tears

[Verse 3:]

'Cause now that you're leaving me
I close my eyes
I close my eyes
But I know I'm gonna cry

[Musical]

[Bridge]

[Verse 3]
