I came home last night  
Caught an early flight  
I found you on the floor  
The look of sheer disgrace  
Was written on your face  
Lipstick was on the wall

[Bridge:]  
Do you spend the days while I'm away on the run  
Do you walk the streets looking for someone  
To meet when I'm gone  
When I'm gone

[Release:]  
What a shame

I was seen with you in the corner booth  
At some secret hideaway  
But in reality, it really wasn't me  
Now what have you got to say  
Tell me what you been doing  
Is this any way to carry on

Well, I see you must be taking advantage  
Of your freedom  
When I'm gone

[Bridge]
