Spoop, boop boop.
Spoon, boop boop.

Boop boop boop.
Boop boop boop.
Boop boop boop.

Money, money, money.

To say I really need you, need you,
Is no exaggeration.
To say I'm gonna please you, please you,
Is not just speculation.

To say I'm gonna keep you with me,
In my determination.
This is how it feels,
When you love,
Someone deep inside.

I have always wanted you,
For my love,
For my future bride.

To say that we belong together,
Is not just conversation.
To say that you're the best thing for me,
'Cause you're my inspiration.

Don't you see that I'm the man,
Who will stand,
Always by your side.

I'll always lend a hand,
If I can,
If I'm holding tight.

Come on baby can't you see,
Just how happy we can be?
'Cause she smiled,
Thought about it,
For a while,

Then she said these words to me.

(Sugar pie guy don't tell no lies)
(Sugar pie guy don't tell no lies)
(Sugar pie guy don't you tell no lies, to me)

Ohh, woah.

(Sugar pie guy don't tell no lies)
Come on now baby.
(Sugar pie guy don't tell no lies)
I'm not gonna lie.
(Sugar pie guy don't you tell no lies, to me)
Yeah! Woah, ohhh!

[Skat]

Yeah!
All I wanna be,
Is your good-nighted man.
Ohhh, woah!
