far, we've been traveling far without a home but not
without a star free, only wanna be free we huddle
close, hang on to a dream on the boats and on the
planes they're coming to america never looking back
again they're coming to america home, don't it seem
so far away oh we're traveling light today in the eye of
the storm in the eye of the storm home, to a new and a
shiny place make our bed and we'll say our grace
freedom's light burning warm freedom's light burning
warm everywhere around the world they're coming to
america every time that flag's unfurled they're coming
to america got a dream to take 'em there they're
coming to america got a dream they've come to share
they're coming to america they're coming to america
[x4] today [x4] (today) my country 'tis of thee (today)
