Cowboys and centlemenn, how do?

East bound and down, loaded up and truckin'
We gonna do what they say can't be done
We've got a long way to go and a short time to get
there
I'm east bound, just watch ol' Bandit run

Keep your foot hard on the peddle, son, never mind
them brakes
Let it all hang out 'cause we've got a run to make
The boys are thirsty in Atlanta and there's beer in
Texarkana
We'll bring it back no matter what it takes

East bound and down, loaded up and truckin'
We gonna do what they say can't be done
We've got a long way to go and a short time to get
there
I'm east bound, just watch ol' Bandit run

Old Smokey's got them ears on, he's hot on your trail
And he ain't gonna rest 'til you're in jail
So you gotta dodge him, you gotta duck him
You gotta' keep that diesel truckin'
Put that hammer down and give it hell

East bound and down, loaded up and truckin'
We gonna do what they say can't be done
We've got a long way to go and a short time to get
there
I'm east bound, just watch ol' Bandit run

I am east bound, just watch ol' Bandit run
I'm east bound and down, and it's okay
It's okay, it's okay
