[Spoken:]

Darlin', You complete me.

But you make a lot of assumptions, and when you
Asume things you make an ass out of you and me.
Don't make an ass out of me.

We belong together
And you know that I'm right
Why do you play with my heart?
Why do you play with my mind?
Said we'd be forever
Said it'd never die
How could you love me and leave me
And never say goodbye?

When I can't sleep at night without holding you tight
Girl, each time I try I just break down and cry
Pain in my head oh I'd rather be dead
Spinnin' around and around

[Chorus:]

Although we've come to the end of the road
Still I can't let go
It's unnatural, you belong to me, I belong to you

Girl, I know you love me
You just don't realize
You've never been there before
It's only your first time
Maybe I'll forgive you
One day maybe you'll try
We should be happy together
Forever you and I

Will you love me again like you loved me before
This time I want you to love me much more
This time instead just come to my bed
And baby just don't let me down

[Spoken]

Hey babe remember when we walked down to the
beach and drank the 12er?

We were so wasted we passed out.
I got that gnarly sunburn, it was so ghetto
But ever since then you totally backin me, your bitchin'
fully blazed of me
We've got a radical future in front of us, I'm so stoked

And now we've come to the end of the road
Still I can't let go
It's unnatural, you belong to me, I belong to you
Come yes we've come to the end of the road
Still I can't, I can't let go
It's unnatural, you belong to me, but we've come to the
end of the road.
