Moving forward using all my breath
Making love to you was never second best
I saw the world crashing all around your face
Never really knowing it was always mesh and lace

I'll stop the world and melt with you (I'll stop the world)
You've seen the difference and it's getting better all
the time
There's nothing you and I won't do (I'll stop the world)
I'll stop the world and melt with you

Dream of better lives the kind which never hate
(We should know better)
Trapped in a state of imaginary grace
(You should know better)
I made a pilgrimage to save this human race
(We should know better)
Never comprehending the race has long gone by

(I'll stop the world)
I'll stop the world and melt with you
(I'll stop the world)
You've seen the difference and it's getting better all
the time
(Let's stop the world)
There's nothing you and I won't do
(Let's stop the world)
I'll stop the world and melt with you

The future's open wide

(Nyeh nyeh nyeh nyeh)
I'll stop the world and melt with you
I've seen some changes but it's getting better all the
time
There's nothing you and I won't do
I'll stop the world and melt with you

1, 2, 3, 4

I'll stop the world and melt with you
You've seen the difference and it's getting better all

the time
There's nothing you and I won't do
I'll stop the world and melt with you
I'll stop the world and melt with you!
