Yes, I am leaving on a jet plane  
Don't know if I'll be back again  
Say I want you babe, I hate to go  
But I want to really want to say that

I am leaving on a jet plane  
Don't know if I'll be back again  
Say I want you babe, I hate to go  
But I want to really want to say that

All my bags are packed and I'm ready to go  
I'm standin' here outside your door  
I hate to wake you up to say goodbye

The dawn is breakin', it's early morn  
The taxi's waiting and he's blowin' his horn  
Already I'm so lonely, I can die  
But I want to really want to say that

I am leaving on a jet plane  
Don't know if I'll be back again  
Say I want you babe, I hate to go  
But I want to really want to say that

I am leaving on a jet plane  
Don't know if I'll be back again  
Say I want you babe, I hate to go  
Say I want to really want to say that

So many times, yes I let you down  
So many times that I fooled around  
I tell you now that they don't mean a thing  
But I want you to really wanna say that

Every song I sing, yes I sing for you  
Every girl me lay, yes I lay for you  
When I come home I'll gonna bring your wedding ring  
Say I want to really wanna say that

I am leaving on a jet plane  
Don't know if I'll be back again  
Say I want you babe, I hate to go

But I want to really want to say that

I am leaving on a jet plane  
Don't know if I'll be back again  
Say I want you babe, I hate to go  
But I want to really want to say that

And kiss me and smile for me  
And tell me that you'll wait for me  
And hold me like you'll never let me go  
But I want to really want to say that

I am leaving on a jet plane  
Don't know if I'll be back again  
Say I want you babe, I hate to go  
But I want to really want to say that

I am leaving on a jet plane  
Don't know if I'll be back again  
Say I want you babe, I hate to go  
But I want to really want to say that
