I spent a lifetime lookin' for you  
Single's bars and good time lovers were never true  
Playin' a fools game, hopin' to win  
And tellin' those sweet sweet lies and losin' again

Lookin' for love in all the wrong places  
Lookin' for love in too many faces  
Searchin' her eyes, lookin' for traces  
Of what I'm dreamin' of

Hopin' to find a friend and a lover  
I'll bless the day I discover  
Another heart  
Lookin' for love

I was alone then, no love in site  
I did everything I could to get me through the night  
Don't know where it started or where it might end  
I'd turn to a stranger just like a friend

Lookin' for love in all the wrong places  
Lookin' for love in too many faces  
Searchin' her eyes, lookin' for traces  
Of what I'm dreamin' of

Hopin' to find a friend and a lover  
I'll bless the day I discover  
Another heart  
Lookin' for love
