Oh, girl
I'd be in trouble if you left me now
'Cause I don't know where to look for love
I just don't know how

Oh, girl
How I depend on you
To give me love when I need it
Right on time you would always be

All my friends call me a fool
They say, "Let the woman take care of you"
So I try to be hip, think like the crowd
But even the crowd can't help me now, oh oh, oh oh

Oh, girl
Tell me, what am I gonna do
I know I got a guilty face
Girl, I feel so out of place

Oh, yeah
Don't know where to go
Who to see, yeah

All my friends call me a fool
They say, "Let the woman take care of you"
So I try to be hip, think like the crowd
But even the crowd can't help me now, oh oh, oh oh

Oh, girl
I guess I better go
I can save myself a lot of useless tears
Girl, I've gotta get away from here

Oh, girl
Pain will double if you leave me now
'Cause I don't know where to look for love
And I don't, I don't know how, yeah, oh
