come out virginia, don't let me wait catholic girls start  
much too late but sooner or later it comes down to fate  
i might as well be the one well they showed you a  
statue and told you to pray they built you a temple and  
locked you away but they never told you the price you  
would pay for things that you might have done only the  
good die young [x4] you might have heard i run with a  
dangerous crowd we ain't too pretty, we ain't too proud  
we might be laughing a bit too loud but that would  
never hurt no one come on virginia show me a sign  
send up a signal, i'll throw you the line the stained-  
glass curtain you're hiding behind never lets in the sun  
and only the good die young only the good die young  
[x3] you got a nice white dress and a party on your  
confirmation you got a brand new soul and cross of  
gold but virginia they didn't give you quite enough  
information you didn't count on me, when you consider  
drive insane on me they say there's a heaven for those  
who'll wait some say it's better but i say it ain't i'd  
rather laugh with the butcher than cry with the saints  
smokers have much more fun and only the good die  
young only the good die young [x3] yeah! you say your  
mother said that all that i could give you was a  
reputation she never cared for me, but did she ever  
say a prayer for me? well come out, come out, virginia  
don't let me wait catholic girls start much too late  
sooner or later it comes down to fate i might as well be  
the one only the good die young [x4] only the good,  
yeah only the good die young [x3] yeah! yeah! yeah!  
yeah! Huh.
