In sleep he sang to me, in dreams he came
That voice which calls to me and speaks my name
And do I dream again? For now I find
The Phantom of the Opera is there inside my mind

Sing once again with me our strange duet
My power over you grows stronger yet
And though you turn from me to glance behind

The Phantom of the Opera is there inside your mind

Those who have seen your face draw back in fear
I am the mask you wear, it's me they hear

Your spirit and my voice in one combined
The Phantom of the Opera is there inside my mind

The Phantom of the Opera
The Phantom of the Opera
