Sometimes the snow comes down in June  
Sometimes the sun goes round the moon  
I see the passion in your eyes  
Somehow it's all a big surprise

There was a time when all I did was a wish  
You'd tell me this was love  
It's not the way I hoped or how I planned  
But somehow it's enough

And now we're standing face to face  
Isn't this world a crazy place  
Just when I thought a chance had passed  
You go and save the best for last

How could you give your love to someone else  
And share your dreams with me  
Sometimes of everything you're looking for  
It's the one thing you can't see

But now we're standing face to face  
Isn't this world a crazy place  
Just when I thought a chance had passed  
You go and save the best for last

Sometimes of everything you're looking for  
It's the one thing you can't see

Sometimes the snow comes down in June  
Sometimes the sun goes 'round the moon  
Just when I thought a chance had passed  
You went and save the best for last  
Saved the best for last
