Long ago and, oh, so far away
I fell in love with you before the second show
Your guitar, it sounds so sweet and clear
But you're not really here, it's just the radio

Don't you remember you told me you loved me, baby?
You said you'd be coming back this way again, baby
Baby, baby, baby, baby, oh, baby
I love you, I really do

Loneliness is such a sad affair
And I can hardly wait to be with you again
What to say to make you come again?
Make you come back again and play your sad guitar

Don't you remember you told me you loved me, baby?
Said you'd be coming back this way again, baby
Baby, baby, baby, baby, oh, baby
I love you, I really do

Don't you remember you told me you loved me, baby?
Said you'd be coming back this way again, baby
Baby, baby, baby
I love you, I really do
