[Originally by Carole King]

You've got a friend  
You've got a friend  
You've got a friend  
You've got a friend

When you're down and troubled  
And you need a helping hand  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest nights

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer, or fall  
All you got to do is call  
And I'll be there, yes I will

You've got a friend

If the sky above your  
Should turn dark and full of clouds  
And that old north wind should begin to blow  
Keep your head together  
And call my name out loud  
And soon I will be knocking upon your door

[repeat chorus]

Hey, ain't it good to know  
That you've got a friend?  
People can be so cold  
They'll hurt you and desert you  
They'll take your soul if you let them  
But don't you let them

[repeat chorus]

You've got a friend  
You've got a friend

You've got a friend  
You've got a friend
