Some other pretty girls were dancing at the party  
Some of them were nice but most of them were tarty  
Silly little rich kids couldn't take their drugs  
Beer was spilling everywhere and landing on the rugs

But we were,  
Acting like loves ought to  
(Acting like lovers ought to)  
Acting like lovers ought to  
(Acting like lovers ought to)  
Let's go

You and me and me and you will have so much fun with  
you and me oh,  
You and me and me and you will have so much fun with  
you and me oh you

Jimmy take your clothes off throw them on the bed  
Tryin' not to talk so I'm kissing you instead  
Messin' about with MySpace poses  
And we tried to show affection buying plastic roses

Acting like loves ought to  
(Acting like lovers ought to)  
Acting like lovers ought to  
(Acting like lovers ought to)  
Let's go

You and me, and me and you, will have so much fun,  
with you and me oh,  
You and me, and me and you, will have so much fun,  
with you and me oh you

I love you  
I love you  
I love you

Go!

You and me, and me and you, will have so much fun,  
with you and me oh,  
You and me, and me and you, will have so much fun,

with you and me oh you
