

The Karelia "Say Try"

Visit "[Say Try](#)" on MotoLyrics.com

How can you say try?
Trying's so tiring. And why do you aspire
To be what you need not be?
All that we need
Is never to need more than to be.
Down, down, down, have to stay
Down, down, down, we belong
Down, down, down, we must stay...

Sleep calmly when you
Nothing so leave me
Be, you have all you need
No one has nothing and nobody's--have to stay
Down, down, down have to stay
Down, down, down, we belong
Down, down, down, we must stay
Down.

Do because we do
Do because we want you to
Do we because you
Do because we want you to
You because we do
Do what we want you to
Do what we use
To keep you
Down, down down, have to stay
Down, down, down, we belong
Down, down, down, we must stay
Down.
