Take me tenderly,  
If you could salivate, I would appreciate that.  
Could you, you could, you know  
All that is good is so bad  
This fat is teasing me  
Does your appetite whet you and let you forget your  
vows?  
I wait on this chilly plate trying to titillate  
Tickle my raspberry nipples so gingerly  
You want me, I know, I can see by the greed in your  
eyes.  
There could have been others, but none of such  
sickening size  
The sensation is sweet  
But time  
Passes so [quickly?],  
So why don't you eat me?

Could you encircle me with lips that a-quiver and drip  
for me?  
I'm whipped and I'm stiff and I want to be licked  
There's bits that taste quite sugary

Damn your piety!  
What can you gain from cold restraint?  
The strain that sings, it's spilling like cream  
How can you watch it turn?  
Mmmmm

You want me, I know, I can see by the greed in your  
eyes.  
There could have been others, but none of such  
sickening size  
The sensation is sweet  
But time  
Passes so quickly,  
So why don't you  
Eat me?
