Hop on your glasses my chain it might flash
While all of you haters be talking mad trash
True players be saying that's a nice watch
When she drop it she said what a nice catch
Cruising through the hood just like a rap star
No green paper just a black card
Shorties be saying like what a nice car
I'm rolling with my homie so what about her
Girlfriend
I'm really feeling your estilo
Head of your class so you re far from a simple
This is real talk don't even think is a rittle
You remind me of the girls from El Rio
Girl you're so hot be careful cuz you might sizzle
Sweating mad crazy you might lose a kilo
Come over here girl let me just give you
Straight sexy love like Ne-Yo

Shortie get on the floor and shake that stuff up
I said Get Down
Take that stuff up
And all of my hustlers go on and make that stuff up
Everybody Get down
Break that stuff up
Shortie get on the floor and shake that stuff up
I said Get Down
All of my hustlers gonna make that stuff up
Everybody Get Down

Break that stuff up
Shortie get on the floor and shake that stuff up
I said Get Down
Take that stuff up
And all of my hustlers go on and make that stuff up
Everybody Get down
I said Get Down
