1st verse

(The Khaoz)

So I

Stepped inside on my newest Air Forces

Lots of girls looking at me, of course is

The flow that's so sick that got the girls going

Dancing in the club without pants without blouses

I saw this Costarican girl,

She was trying to holla holla

Next thing you know, pictures on a Motorola

Seems like shortie really got a lot to offer

Baby ma the game over

You heard me

Cuz me in the contrary

I'm try get your number up in my Black Berry

Shorty is so sexy and far from ordinary

And the ways that she so hot

She got me sweating already

So let me take you to the telly

Lets kick a fiesta like Jay Z and R Kelly

This is the deal, no weddings, No babies

Just one night alone

Hey!

Chorus

(DSOne)

Damn boy you look so nice

I wanna be to be your ma

Just come and hold me tight  
I really like your style

2nd Verse  
(The Khaoz)

Yeah  
Another hot day in the Caribbean  
But me I'm in the beach bar cooler than a freezer  
I got girls from Brazil all the way to Korea  
From U.S to U.K  
All the way back to Costa Rica  
Spotted this young beautiful Latina  
Lights skin, brown eyes, body of a diva  
Walks like a model with a bootie of a mamasita  
Got everybody saying like  
Oh Jesus!  
I'm spitting G like  
Buenas tardes senorita  
What are you drinking?  
Let me get you a Margarita  
She is flying without Visa  
But she's staring at the risk  
So she might be a gold digger  
Take your time with a young nigga  
How you gonna eat desert before dinner?  
Baby you should get the idea  
That's it's just one night alone

Chorus  
(DSOne)

Damn boy you look so nice  
I wanna be to be your ma  
Just come and hold me tight  
I really like your style  
Come be my man tonight  
Forget about those girls

Tonight I'm all yours  
You know you rock my world  
(Hook)  
You know you rock my world  
You know you rock my world  
You know you rock my world  
You know you rock my world  
You rock my world  
You rock my world
