Don't remember where I was
I realized life was a game

The more seriously I took things
The harder the rules became

I had no idea what it'd cost
My life passed before my eyes

I found out how little I accomplished
All my plans denied

So as you read this know my friends
I'd love to stay with you all

Smile when you think of me
My body's gone
That's all

A tout le monde (To all the world)
A tout mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I must leave)

These are the last words
I'll ever speak
And they'll set me free

If my heart was still alive
I know it would surely break

And my memories left with you
There's nothing more to say

Moving on is a simple thing
What it leaves behind is hard

You know the sleeping feel no more pain
And the living are scarred

A tout le monde (To all the world)
A tout mes amis (To all my friends)

Je vous aime (I love you)
Je dois partir (I must leave)

These are the last words
I'll ever speak
And they'll set me free

(1st Solo)

So as you read
Know my friends
I'd love to stay with you all

Please smile,
Smile when you think about me
My body's gone
That's all

A tout le monde (To all the world)
A tout mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I must leave)

These are the last words
I'll ever speak
And they'll set me free

A tout le monde (To all the world)
A tout mes amis (To all my friends)
Je vous aime (I love you)
Je dois partir (I must leave)

These are the last words
I'll ever speak
And they'll set me free...

(2nd solo and outro)
